

FULL SONG PRODUCTION - £800

- Complete end-to-end production from initial ideas to final master
- Includes recording, sound design, mixing and mastering
- Up to 3 revisions included
- Average turnaround 3 weeks per track
- Deliverables: stems, premasters, instrumentals and live versions

Perfect for: Artists who want a fully polished, radio-ready song.

MIXING & MASTERING - £200

- Professional mix and master delivered to industry standards
- Up to 2 revisions included
- Average turnaround 7 days per track
- Deliverables: premasters and masters

Perfect for: Artists who already have their song recorded and arranged.

MENTORING SESSION - £50 for 2hrs

- Tailored coaching sessions focused on your specific goals
- Enhance your skills in Logic or Ableton
- Topics include recording, vocal production, sound design, mixing, mastering and live performance
- Gain insights into workflow, project management, motivation, organisation and progress tracking
- Available in-person or online, paid in advance.

Perfect for: Artists and producers aiming to dramatically improve their skills.

DAY RATE - £200 / 8hrs

- Book me for a dedicated 8hr session, available in-person or remotely
- Flexible scope tailored to your project needs
- Strictly limited to 8 hours - additional time billed separately

Perfect for: Artists who need dedicated, focused time to refine ideas, with no ongoing revisions or follow-up development included.

NEXT STEPS

1. Arrange an online call to discuss details (vision, timeline, references).
2. I'll confirm availability and a schedule. Together, we'll sign an agreement.
3. A 50% deposit secures your booking, with the remainder paid upon completion.
4. We create some incredible music together!
